Dear Friends,

The year of 2021 has been a challenge to say the least. The last six months have been eye opening to just how valuable life is. Our organization and trustees have experienced loss of loved ones; however, we celebrate their lives here on earth and their graduation to heaven. While we still hear of the affects of COVID-19 from our callers, we also hear success stories of recovery, jobs, family support and most importantly spiritual faith. We are thankful for the upcoming holiday season and pray that families will be able to enjoy time together. As we reflect on the past 10 months, we have expressed in previous newsletters that donations are down and needs are up. This is a continuous problem and our needs have only increased. We are networking with other organizations, partnering with churches and increasing our online presence.

God provides for all of our needs, both personally and for the ministry and we recognize that what we have is His to be used for His glory. ***We continue to focus on encouragement, prayer, hope and the love of Christ.*** Now, more than ever, people of all walks of life need Christ's love and your generosity. Are you furthering the kingdom of God? Have you asked God how you can help someone? We encourage you to ask Him, your life will be changed! We are commanded to be a cheerful giver. *"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."* (II Corinthians 9:7)

Here are a few steps to Giving Cheerfully

- **Prayer...**Ask for God's power to change your heart. Only God can transform our thinking when we give Him permission.
- **Seek...**Discover God's wisdom through His Word. Sit in His presence and read the Bible.
- **Fellowship...**Spend time with people who generously give their time, talents, treasure (money) & temple (body) in honor of God.
- **Share...**Tell your experience how God has blessed your faithfulness, it may just be what another person needed to hear. Sometimes, we do not realize God is all we need, until God is all we have. We never run out of Jesus!

We proclaim the Gospel of Jesus Christ, and we need your help to continue. Please consider supporting our mission in prayer, by donation, or both. We are so very thankful to be chosen to further the Kingdom.

Gratefully His,
Schaun Adams
Operations Manager
