Fall for Jesus
HE NEVER LEAVES

Prayer & Support for the United States of America

We are deeply touched by the current situation in Afghanistan. As a ministry, we were led to pray for our military and the veterans who serve our country. During the month of August, we contacted 15 veterans and paid part of their utility bills for the month of September to show God's love and support of their service. God has touched our hearts; we request you join us in prayer for the safety of all.

We need your help! We need your prayers!

Shepherds of Love Ministries has experienced a decline in donations and an increase in costs. Many people have very large utility bills. To maintain our level of program services, "gifts to those in need", we are reducing costs where available. One way is to begin generating this newsletter every other month (6 per year). This will allow us to reduce postage & printing costs. We will continue to update our website regularly and as always, we are available by mail, phone or email.

Thank you for your support!
God is so generous,
and we continue
to see His Blessings!
