

Shepherds of Love Ministries celebrates "New"  
April 2017

In the spring of each year we feel a newness. As Christians, we celebrate Easter as a time to think about the "new life" that we have in Jesus.

A recent job change allowed me to start a "new life path". While one door was closing, God clearly showed me another opening, however, He asked me to step through a hallway before walking through the "new" opening. That hallway provided me an opportunity to share my faith with an individual who had also made a recent career change.

She left the "corporate" world to reduce stress and was now working in a church office. This "new" environment was different in many ways and was stressful to her. She requested that I come to help train her in her new job. While training she was "praying under her breath" that we would reach a resolution to a reconciliation issue. I asked her if she was a believer, she assured me she was, however she did not believe that God listened to her. Immediately, I stopped and looked at her and told her that God was in fact listening, that He always listened. I told her that He hears everyone. I then vocalized a prayer of thanksgiving for the resolution that He would provide. With five minutes to spare, a resolution was brought to our attention! She was able to see that our prayer truly was indeed heard! The seed was planted! I was at the end of the hallway and ready to walk through the new door God had put before me! I am happy to say that she is "de-stressing"; I am excited to have made a "new friend" and we are both succeeding in our "new careers".

Thank you Jesus for the "newness" that you provide and the promise that we have in you.

Your "new" SOLM Associate,

*Schaun Adams*

**A New Life**

*3:5 What a God we have! And how fortunate we are to have him, this Father of our Master Jesus! Because Jesus was raised from the dead, we've been given a brand-new life and have everything to live for, including a future in heaven—and the future starts now! God is keeping careful watch over us and the future. The Day is coming when you'll have it all—life healed and whole.*

Without a doubt, the resurrection of **Jesus the Messiah** is of great importance to the history of mankind.

We are called to share the Great News!

We are called to offer Hope to the Hopeless!

We are called to care for His Flock!

How will you answer His call?

Will you go through that door or down that hallway?
