October Lambs in Need - Who will you help?

Ashley is a single mom with 2 kids. She had steady work with a temp agency until an emergency surgery. She is recovering and will return to work next month. However, this has set her back financially and she needs our help. **Lamb 12019 – Need: OGE \$135.00 ONG \$115.00**

John is a single dad with 3 daughters. He was injured on the job which required shoulder surgery. He requested prayer for protection over his daughters and renewed faith in the Lord during this stressful time. **Lamb 22019 – Need: OGE \$315.00**

Betty is a widow on disability who suffers with high blood pressure, blood clots and diabetes. She had more medical expenses last month than expected and needs help with her electric bill. She shared her trust in the Lord who is her source. We shared a great prayer time. **Lamb 32019 – Need: OGE \$230.00**

Janie is a Spirit-filled elderly woman on disability needing help with electricity. Her family does not have the means to help her. She touched my heart with words of kindness and thanksgiving for SOLM.

Joy is a widow living on \$700 a month from disability and is without any family to assist her. She requested prayers for total healing and a financial blessing to relieve her stress. Every month she must choose between paying her utility bills or buying food. She only receives \$16.00 in Food Stamps.

Bill & Deanna are Army Veterans living on a very limited VA income. Bill suffered a massive stroke and his wife lives with PTSD. Together they try to manage what little income they receive. However, most of the time it is not enough. **Lamb 92019 – Need: Water \$294.00 Oge 230.00**

Bea is 80 years young and sharp as a tack. I had a wonderful conversation with her and learned her husband is in a memory care facility. She visits him daily. They live on a fixed income and their water bill continues to be high due to a leak, which she is working toward repairing. SOLM helped stop the cut-off but there remains a large balance. **Lamb 102019 – Need: Water \$275.00**

Eunice is a Disabled Senior living on \$771 per month. She worked part-time to supplement her income. Due to a recent illness she lost her job. A very kind neighbor gave her a \$1 which is all she had when we visited. She battles depression but loves the Lord and trusts Him to help her. **Lamb 112019 – Need: OGE \$120.00**

Jean is a Senior who still works full time. However, her husband has cancer and they both have missed work. They are strong believers and while enduring one crisis after the other God continues to work miracles. **Lamb 122019 – Need: OGE \$194.00 Water \$150.00**

Shelby and her husband moved here from Florida in hopes of a better life. They have 2 young children and shortly after their arrival Shelby had a miscarriage. She is experiencing sadness and grief along with trying to adjust to their move. Their finances are tapped out and they are seeking God for guidance. Shepherds of Love was here for her when she needed a touch of kindness and someone to listen to her cry for help. We prayed and the Spirit of the Lord showed up. **Lamb 132019 – Need: OGE \$185.00**

These are just a few of the stories that we have heard over the last month. It is our honor to listen, pray and assist whenever possible. If you connect with any of these lambs, please consider partnering with us to continue the mission.

Thank you for your prayers for lambs, which are in the hundreds. We have more requests than we could possibly meet. Daily I am reminded of the calling on my life and the purpose of this ministry which is: **Sharing Christ, Offering Hope, and Ministering to the Needy in Crisis.**
