

Dear Friend,

Here we are in November 2020, near the end of a year of uncertainty and unrest. We wish to extend blessings to each and every one of you. As a ministry, we have drawn closer to God and have been blessed with spiritual growth, new donors and partnerships, refreshed ears to hear what God wants for His ministry, and so much more. We have not gone without our trials, struggles, or dry periods during 2020, however we give praise for the adversity as we grow!

God provides for all of our needs, both personally and for the ministry and we recognize that what we have is His to be used for His glory. In a year when so many people have been negatively affected by the pandemic ***we have focused on encouragement, prayer, hope and the love of Christ.*** Now, more than ever, people of all walks of life need Christ's love and your generosity. Are you furthering the kingdom of God? Have you asked God how you can help someone? We encourage you to ask Him, your life will be changed! We are commanded to be a cheerful giver. *"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."* (II Corinthians 9:7)

Here are a few steps to Giving Cheerfully

- **Prayer**...Ask for God's power to change your heart. Only God can transform our thinking when we give Him permission.
- **Seek**...Discover God's wisdom through His Word. Sit in His presence and read the Bible.
- **Fellowship**...Spend time with people who generously give their time, talents, treasure (money) & temple (body) in honor of God.
- **Share**...Tell our experience how God has blessed our faithfulness, it may just be what another person needed to hear. Sometimes, we do not realize God is all we need, until God is all we have. We never run out of Jesus!

We proclaim the Gospel of Jesus Christ, and we need your help to continue. Please consider supporting our mission in prayer, by donation, or both. We are so very thankful to be chosen to further the Kingdom.

Gratefully His,

*Schaun Adams*

Operations Manager

We have paid \$118,226 to assist 1,145 individuals conducting 795 interviews through October. These numbers will only grow during the last quarter of the year as the requests for assistance and ministering increase. **We need your help to continue extending the love of Christ.**

Due to the Corona Virus Pandemic and Social Distancing, we will not be displaying our Traditional Utility Blessing Tags in various locations around the community. **Please consider selecting the generic tag shown below to assist a family during the holidays.** We will continue to tell our stories in December and throughout the year 2021.
