Dear Friend of the Flock,

This brief letter is to assure you that no matter the chaos in this world, God is on His throne. He is my Leader, my King, my teacher, and the lover of my soul. He called me 21 years ago to start Shepherds of Love and this ministry remains stronger than ever. You have my word that we will go wherever He leads. We will always fulfill our mission which is:

Sharing Christ,

Offering Hope, and

Ministering to the Needy in Crisis

The Lord is my strength and my shield: my heart trusts in Him, and I am helped. My heart leaps for joy and I will give thanks to him in song. Psalms 28.7

Thank you for your prayers and support to this ministry. We pray God's Blessings over you as you help us lead the lost to a personal relationship with Jesus Christ.

His Faithful Shepherd Girl,

Teresa Rountree

President/Director
